Donnie Fox
President

"For I know the plans that I have for you," declares the LORD, 'plans for welfare and not for calamity to give you a future and a hope.' Jeremiah 29:11

Clear Creek Baptist Bible College's seal provides a vivid representation of our priorities.

THE SHIELD

"Above all, taking the shield of faith..." Ephesians 6:16.

Clear Creek Baptist Bible College, from its beginning, has existed to provide educational preparation for adults called of God into Christian service. Students in this theological school have taken the shield of faith, burning bridges of security behind them by responding to God's clarion to prepare for special Christian service.

THE SPIRIT

"I will pour out in those days of my Spirit; and they shall prophesy." Acts 2:18.

The college maintains a special interest in Baptist preachers who have yielded to the call to preach after they have reached mature years. Touched by the Holy Spirit's tongue of fire, Clear Creek students have exchanged personal ambitions for a torch of knowledge, a desire for an understanding of spiritual truths.

THE BIBLE

"All Scripture is inspired by God and profitable..." II Timothy 3:16.

The school is an adult educational institution maintained to meet a specific need in the program of Southern Baptist education. Students are offered ministerial preparation centered on the study of the Bible.

THE MOUNTAINS

"I will lift up my eyes unto the hills..." Psalms 121:1.

From its founding the school has considered the southern mountain region as its distinctive field and its work is conducted with a view to supplying well-prepared Christian leadership for this area. Although the school's special ministry centers in the Appalachian regions, students are not limited to these areas. Students come from throughout the Southern Baptist Convention.

THE CROSS

"...that in all things He might have the preeminence." Colossians 1:18.

The Cross--and all that word implies--is the center of this school's life. Christ commands every Christian to bear his cross and to share in the ministry of the gospel.

College History

Dr. Lloyd Caswell Kelly, pastor of the Pineville First Baptist Church, founded Clear Creek in 1926. His mission for bringing Christian education to the mountains was twofold. He was inspired to charter Clear Creek Mountain Springs, Inc. "...for educational, recreational and religious purposes, with two objectives in mind: (1) to provide grounds for assemblies and encampments and (2) to establish a base for a 'mountain mission' program." The first sessions for preachers were held July 18-August 1, 1926 with twelve students.

In 1946, the General Association of Baptists in Kentucky (now the Kentucky Baptist Convention) approved the name of the school as Clear Creek Mountain Preacher's Bible School. The primary focus of the school continued to be educating God-called men and women for Christian ministry.

From 1954-1982, Dr. Dennis Merrill Aldridge served as the second president of the school. Under his leadership, the school grew to offer a four-year baccalaureate degree. A charter revision in 1957 changed the name to Clear Creek Baptist School.

From 1982-1988, Dr. Leon Dennis Simpson was president. He led the school to receive accreditation from the Accrediting Association of Bible Colleges in 1986 at which time the name was changed to Clear Creek Baptist Bible College. The Pomeroy Family Life Center was constructed. An innovative class schedule was adopted that encouraged enrollment of commuting students.

From 1988-2007 Dr. Bill D. Whittaker served as president of the college. Early in his administration, the college became debt free and continues to operate without debt. In 1996, the Association of Biblical Higher Education reaffirmed the college's accreditation for ten years, and then reaffirmed the accreditation until 2017. A successful capital campaign concluded in 1998 with the completion of a new classroom building and nearly a million dollars in additional endowment. In June 1999, the college received accreditation with the Commission on Colleges of the Southern Association of Colleges and Schools, and the accreditation was renewed in June of 2005.

Dr. Donnie Fox has served as the fifth President of Clear Creek since 2007. The President's home was moved back on campus in the first year of his administration to have better interaction with the campus family. The college continues to operate without debt under his leadership.

Denominational Affiliation

In 1946, Clear Creek became a recognized educational institution of the Kentucky Baptist Convention. It shares in the money allocated to Christian Education by the Kentucky Baptist Convention. The convention nominates and elects the 32 trustees of the college. The college operates cooperatively within the policies, plans, and programs of Kentucky Baptists and has fellowship with the churches of the Southern Baptist Convention. The ministry of the college serves the needs and interests of the denomination.

Doctrinal Statement

The charter of the college provides that all members of the Board of Trustees and the teaching and administrative staffs shall be members of Southern Baptist churches in good standing. The Baptist Faith and Message Statement of 1925, with revisions in 1963, 1998 and 2000 is the adopted statement of faith for all faculty, staff and trustees of the college as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture. All employees sign annual contracts signifying adherence to the college's statement of faith.

The Baptist Faith and Message

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the

supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalms 19:7-10; 119:11,89,105,140; Isaiah 34:16; 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Savior, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14-18,29; 1 Corinthians 1:21-31; 15:19,21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Savior.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6-2:11; Revelation 3:20; 21:1-22:5.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

Genesis 12:1-3; Exodus 19:5-8; 1 Samuel 8:4-7,19-22; Isaiah 5:1-7; Jeremiah 31:31ff.; Matthew 16:18-19; 21:28-45; 24:22,31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45,65; 10:27-29; 15:16; 17:6,12,17-18; Acts 20:32; Romans 5:9-10; 8:28-39; 10:12-15; 11:5-7,26-36; 1 Corinthians 1:1-2; 15:24-28; Ephesians 1:4-23; 2:1-10; 3:1-11; Colossians 1:12-14; 2 Thessalonians 2:13-14; 2 Timothy 1:12; 2:10,19; Hebrews 11:39-12:2; James 1:12; 1 Peter 1:2-5,13; 2:4-10; 1 John 1:7-9; 2:19; 3:2.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture. The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

Matthew 16:15-19; 18:15-20; Acts 2:41-42,47; 5:11-14; 6:3-6; 13:1-3; 14:23,27; 15:1-30; 16:5; 20:28; Romans 1:7; 1 Corinthians 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Ephesians 1:22-23; 2:19-22; 3:8-11,21; 5:22-32; Philippians 1:1; Colossians 1:18; 1 Timothy 2:9-14; 3:1-15; 4:14; Hebrews 11:39-40; 1 Peter 5:1-4; Revelation 2-3; 21:2-3.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23-29; Colossians 2:12.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3,33-36; John 4:21-24; 20:1,19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Genesis 1:1; Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; 4:8-10,23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Romans 5:17; 8:19; 1 Corinthians 15:24-28; Colossians 1:13; Hebrews 11:10,16; 12:28; 1 Peter 2:4-10; 4:13; Revelation 1:6,9; 5:10; 11:15; 21-22.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4, 19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Exodus 17:12; 18:17ff.; Judges 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Nehemiah 4; 8:1-5; Matthew 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-37; 13:2-3; 15:1-35; 1 Corinthians 1:10-17; 3:5-15; 12; 2 Corinthians 8-9; Galatians 1:6-10; Ephesians 4:1-16; Philippians 1:15-18.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12-14; 1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war. The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7,24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7.

Clear Creek Baptist Bible College Core Values

Centrality of Christ

We are a community of Christians brought together by faith in Christ as Savior and Lord and by surrender to His call to service. We are committed to seek His will; to communicate with Him through prayer; to deepen His lifestyle through the indwelling of the Holy Spirit; and patiently work for His unity among us.

Trustworthiness of Scripture

We are a community of learners who affirm the total trustworthiness of God's revealed word as the guide for our lives and the foundation for our equipping ministry.

Evangelism and Missions

We are a community of individuals redeemed from sin by the death and resurrection of Jesus Christ, and transformed by the power of the Holy Spirit. We affirm He died for the whole world and commissions each believer to take the Gospel into the world. We commit ourselves to the priority of personal evangelism and world missions.

Servant of the Churches

We are a community that exists to train individuals sent to us by the churches. We commit ourselves to serve the needs of the church.

Mission Statement

Clear Creek Baptist Bible College exists to provide educational preparation for adults called of God into Christian service.

To fulfill its mission, Clear Creek Baptist Bible College will seek to:

1. Nurture God-called students as they prepare for the Lord's work.
2. Provide a quality Bible-based education with an emphasis on practical Christian service.
3. Initiate and maintain cooperative relationships with individual Christians, churches, associations, and conventions.
4. Manage human, physical, and financial resources guided by biblical principles.

Statement of Purpose

The purpose of the educational program of Clear Creek Baptist Bible College is to provide a quality Bible-based education with an emphasis on practical Christian service.

Educational Goals

The men and women who have been called of God into Christian service through His church and are graduates of Clear Creek Baptist Bible College should demonstrate:

1. Knowledge and understanding of the Bible and Christian theology.
2. Sensitivity to the needs of people and the ability to minister from a biblical perspective.
3. Communication skills in the context of ministry.
4. Leadership skills in the context of ministry.

Philosophy of Education

Clear Creek Baptist Bible College believes God, the eternal Creator of heaven and earth, has revealed Himself generally in nature and human conscience and specifically through His Son, Jesus Christ, and the Holy Scriptures. We believe these Scriptures are a faultless guide for individual believers and congregations of believers. Therefore, the school's curriculum has the Bible as its basic textbook, and all studies are related to it in such a manner that its truths and principles govern the content of the courses and the conduct of the teachers and the students. We believe in the soul competency of mankind to comprehend general and special revelation with God's help.

We believe God calls all believers to salvation and service in His kingdom. We believe further that God calls some members of the church to exercise their spiritual gifts as leaders of the church. God desires that these gifted people develop their spiritual gifts and grow in their ability to serve the church. People of mature years receive this special calling and deserve our assistance in their personal spiritual development. The Holy Spirit enlightens the sin-darkened minds of believers, and dedicated professors can serve as His instruments in this process of illumination carried on by the Holy Spirit.

We believe our college is a servant of the churches and should respond to and cooperate with them in the furtherance of God's kingdom. We can serve the churches by training those whose calling and gifts the churches have affirmed. This training rightly includes: spiritual development so the student can become a mature disciple of our Lord manifesting self-control and self-discipline, general education so the student can function as a respected leader in his community, biblical-theological studies so the student can understand something of the nature of God and the Christian world view, and practical training so the student can exercise his gifts in the context of the local church and community. All students should understand the church's missionary mandate and commit themselves to fulfilling their part in it.

Student Affairs

Student Affairs Program

A well-rounded Clear Creek student is involved in worship, recreational and social activities outside the classroom. A Student Affairs Program has been developed at Clear Creek, which has as its purpose, "to minister to the total person, seeking to help each administrative, faculty and staff member, student, and family to maintain a healthy mental, physical, and spiritual life-style." The Dean of Students coordinates all activities related to student life.

Student Advisory Council

This council is constituted to stimulate a wider range of student participation in campus life. It serves as a liaison between the student body and the faculty/administration. The student body annually elects a president, a vice president and a representative from each campus residential area to serve on the Student Advisory Council. For further information, consult the *Student Handbook*.

Church Participation

The students and staff enjoy ample opportunities for participation in church activities. The school expects every student to become a member either of the church or mission he serves, or one of the area churches. Students systematically keep two basic reports current: the weekly *Christian Service Guidance Report* submitted to the Director of Christian Service and the annual *Affirmation of Church Involvement Form* submitted to the Academic Office.

The Affirmation of Church Involvement form signed by the student's pastor or chairman of Deacons is required for degree seeking students each academic year before the semester begins in August. A student may not enter classes without this signed form on file in the Academic Office.

Mission Activities

The college has been characterized by a distinctive missionary emphasis. Every effort is made to acquaint the students and their families with the program of world missions conducted by Southern Baptists. Clear Creek seeks to have a furloughing international missionary on campus at least one semester each school year. In addition, several North American and international missionaries are scheduled to speak in chapel programs throughout the year.

Men's Ministry/Women in Ministry

Men are members of the Clear Creek Baptist Bible College Men's Ministry, which meets regularly, and are encouraged and trained to participate in work projects both on and off campus. Women meet regularly as members of the Women in Ministry to help them become equipped for ministry. *The organization of these ministries depends heavily on student leadership and interest.* Several mission trips are scheduled each year and students are encouraged to participate.

Women in Ministry Certificate

Clear Creek Baptist Bible College Women in Ministry offers noncredit classes for the women on campus. During each semester we offer sessions with the purpose of equipping women for ministry, fostering fellowship, and for spiritual encouragement. Each woman will be presented a certificate for those sessions she has attended. No recognition is given if one does not complete the session. Each year we honor all graduate ladies and wives of graduates at our Senior Tea. All women are invited and encouraged to attend each session.

Following is a list of classes that have been offered:

Role of women in ministry
Interpersonal relationships
Soul-winning made easy
Personal spiritual growth

Physical Well-being
Crisis Counseling
Hospitality
Parenting

Home management
Spiritual gifts
Leadership skills
Mentoring

Medical Care

The college staffs the Dr. J. H. Brooks Medical Clinic on a part time basis. Doctors provide treatment through the clinic. A dental clinic is staffed periodically by volunteers. These services are restricted to the Clear Creek family. Due to limited facilities, major medical needs are referred to local dentists, physicians and hospitals.

Children's Services

The **Irene Peterson Child Development Center** provides state-licensed child care for children two weeks to kindergarten age during the morning and afternoon. Also available is an after-school care program for those K through grade 4. After-school children are met at Moore Hall and escorted by staff to the CDC. Policies, procedures and fee information may be obtained from the director of the CDC.

We believe the love of God is taught in a natural and fun way through the everyday experiences of children. Therefore, the Center seeks to provide the preschool and older children with age-appropriate learning experiences within a Christian environment. Each day the children engage in learning opportunities like singing, playing, exercising, problem-solving, creating, and socializing, under the direction of a qualified, loving, and friendly staff.

Schools

There are several possibilities for education of school children in nearby schools. Pineville City Schools (about four miles from campus), Bell County Public Schools (approximately five miles from campus) and Gateway Christian School are available. Campus children can be transported by school bus to schools in the Bell County School system. Students in grades K-8 may attend Bell Central School and students in grades 9-12 may attend Bell County High School. Students in grades K-12 may attend Pineville City Schools, however, transportation is not provided. (Pineville City Schools is limited on the number of students that can enroll if the student lives outside the city.) Gateway Christian School, K3-12, is in Middlesboro, Kentucky (approximately twelve miles from campus). Those who attend Gateway must pay tuition and provide their own transportation.

Clear Creek expects its students to enable their children to be present throughout the entire public school year. Students are expected to cooperate completely with the school authorities and to exhibit a Christian spirit at all times. Every effort is made to keep a harmonious and helpful relationship with all of the local schools.

School's Out Program

The School's Out Program is provided through the Family Life Center for school-age children of Clear Creek students during those times when the public school systems are not in session and Clear Creek is. Usually this means "snow" days or similar situations that cause the public schools to be closed. This service is only provided when enough workers are secured to adequately provide the service.

Recreation Facilities

The Pomeroy Family Life Center is the major recreation facility available to all campus residents. It operates year round offering swimming, basketball, weightlifting, ceramics, general exercise and other recreational activities. A tennis court, ball field, and walking trails are also available. Nearby Pine Mountain State Resort Park and the city of Pineville provide other recreational facilities.

Agape Fund

Almost every student family has continuing financial needs which at times may become critical. The AGAPE FUND has been established by the student body and is maintained through donations received periodically from members of the campus family and others. The Dean of Students oversees this fund. See the *Student Handbook* for procedures for obtaining funds from this account.

Student Regulations

Married Housing

Students are expected to keep the premises clean. No alterations of any kind are to be made without written permission from the Maintenance and Facilities Director. Students likewise are expected to keep noise to a minimum. Students are allowed pets such as hamsters, gerbils, birds and fish.

Parents are expected to exercise proper supervision of their children and are responsible for their behavior. Children are not normally allowed in Kelly Hall or the academic and administrative buildings, except for scheduled meetings and in the company of adults.

Single Student Housing & Commuter Housing

Kelly Hall is the residential dorm for male single students, male commuters and campus guests. The campus dining room is also located in Kelly Hall. Melzoni-Alumni Apartments serves as the residential area for our single females. We do not allow pets of any kind in single housing.

Semester housing for new students begins the weekend, (Friday - Saturday), before orientation week and ends the weekend of finals week. Semester housing for returning students begins the weekend, (Friday - Saturday), before classes begin and ends the weekend of finals week. Students do not have to vacate their rooms for holidays and breaks during the fall and spring semesters.

The Director of Kelly Hall distributes regulations governing Kelly Hall/Melzoni-Alumni Apartments to each resident in the Kelly Hall Handbook.

Security Deposit

A security deposit (one month's rent) must be paid by each resident planning to live in campus-owned housing and must be paid before keys are issued. Before a student moves in, a check-in inspection is conducted by a representative of the physical plant department accompanied by each new tenant. A housing inspection checklist is reviewed and signed by both. The check-in inspection form is kept on file in the Physical Plant Office and a copy is sent to Business Services.

Security deposits are refunded within two (2) weeks after the student moves out if the following guidelines have been met:

- A. Premises are left in same condition as they were found; check-in slip will be compared to check-out slip for evaluation.
- B. The residence must be swept/vacuumed and all trash removed from the resident's property and properly disposed.
- C. Student moving before graduation gives a written notice of moving date.
- D. All keys to housing unit and mailbox are turned in before or upon departure.
- E. Student's account must be paid in full. If not, the refund will be applied to the student's outstanding balance. If this results in a credit balance then a refund check will be issued.
- F. If the residence houses two married students, **both** student accounts must be paid in full.

On-Campus Residency Requirement

The school welcomes students who live near enough to drive to the campus for one or more classes each day. Any student carrying 0.5-11 credit hours is considered part-time. All the rules and regulations of the school apply to part-time students as well as those who are carrying a full load on campus. Those living on the campus, however, are expected to take a full academic (12+ credit hours) load unless approved by the Academic Office to do otherwise. Appeals for exception to this policy must be made in writing to the Academic Dean who will confer with the Faculty Advisor and Administrative Staff.

Rent

Rent is charged each semester on the following basis: fall semester (August-December); spring semester (January-May); and June and July rent; rates for Kelly Hall are charged by the semester per number of weeks.

Vacating Student Housing

Any student who moves before he graduates is required to give a written notice to Physical Plant. Failure to give a written notice will mean forfeiting the security deposit.

It is necessary for students who graduate to vacate student housing by the end of their graduating month. Graduates are not required to give a written notice of departure. However as soon as they know their departure date they MUST notify Physical Plant. A written request must be made to the Director of Maintenance and Facilities to stay beyond the deadline. Each request will be answered in writing by the Director of Maintenance and Facilities .

Refunds

Rent will be prorated for students leaving campus housing. A full week is calculated by 7 days. Therefore when a student leaves if there are 7 days left in the month they will be refunded rent for 1 week, 14 days – 2 weeks, 18 days – 2 weeks, or 24 days- 3 weeks.

Housing Changes

Housing assignments are made on the basis of immediate (husband, wife and children) family need and availability of a suitable unit. Any student wishing to move to a different campus residence must submit a request in writing to the physical plant office. Request should be made based on valid reasons such as need (change in family size), or medical reasons, not personal preferences.

Permission to move from one campus house to another may be denied if the present housing unit is damaged beyond normal wear and tear. If a request is made to move, an inspection will be made before permission to move is given. Damages will be assessed and charged to the student's account.

Flagrant abuse of a housing unit or documented incidents of disruption of campus unity may result in dismissal from campus housing.

Students Moving From Single Housing to Married Housing

Single students planning to marry and requesting on campus housing may be given permission to move furniture into the house/apartment unit two weeks prior to getting married. Keys will be issued on a daily basis and must be returned to the physical plant office by 4:30 PM each day. Neither party will be allowed to live in the house/apartment unit until after they are married. Rent will not be charged until the official move in date.

Vehicles

Students are expected to observe carefully the posted 15 MPH speed limits on the grounds and 10 MPH in housing areas, to obey one-way and directional signs, and to respect the parking areas designated for the use of visitors and members of the faculty and staff. The use of ATVs, motorcycles, motorbikes, or mopeds on campus is prohibited; any request for a waiver to this rule must be submitted in writing to the Physical Plant. All vehicles must be properly registered with the school and display a numbered parking tag for identification. Parking tags may be purchased in the Business Office. Tickets are issued for illegal parking, parking in "no parking zones", no tag, speeding, or reckless driving. The cost of a ticket is \$2.50 within the first 24 hours of receiving it and will increase to \$5.00 after.

Narcotics

Clear Creek is in compliance with Public Law 101-226 for drug free schools and communities. As clearly stated in the application for college admission, students and their family members pledge not to engage in the use of tobacco, or the use or distribution of alcohol, illicit drugs, drug paraphernalia, or any other substance of abuse while enrolled. Substance of abuse is any form of narcotics, hallucinogenic, sports enhancement, "street drug" or other controlled substance as defined by law. Any violation of this guideline would be an obvious breach of Christian commitment and will result in immediate expulsion.

Divorce

If a student is divorced in the course of his/her studies at the College, divorces during the course of study at the College, the student will be required to drop out of Clear Creek at the end of the presently enrolled semester in order to recover from the shock of this experience. The student must remain out for one full semester. Application for readmission must be submitted by special application, which can be obtained in the Admissions Office.

STUDENT CONCERNS/COMPLAINTS REGARDING ACCREDITATION

Formal complaints by students in reference to issues that relate to accreditation standards are the concern of the academic office. The academic office maintains records relating to issues raised by students as well as action taken by the college to resolve those issues. The proper procedure for formal complaints is as follows:

1. Student's academic advisor
2. Academic Dean
3. President
4. Board of Trustees (at the President's initiative)
5. Accrediting Association (contact information in College Catalog p. 1)

STUDENT CONCERNS/COMPLAINTS REGARDING CAMPUS LIFE

The proper procedure for a student to follow in registering a concern, suggestion, criticism, complaint or conflict is as follows:

1. If at all possible, the student should talk with the person involved to see if the matter can be resolved.
2. If the matter is not resolved satisfactorily, the student should go to his Program Advisor for assistance, if the problem is academic. If outside the academic area the student should see his or her housing representative.
3. If the student is still not satisfied, a written statement should be given to the Academic Office (with a copy to the President) if the matter deals with a major, course, curriculum, grade(s) or professor. If the matter involves issues outside the classroom, a written statement should be given to the Dean of Students (with a copy to the President). The appropriate office will issue a written response in a timely manner. All written statements need to be addressed in a fair and professional manner.
4. If the student feels the need to further pursue this matter, he/she may confer personally and at length with the President.

Code of Conduct

Clear Creek Baptist Bible College students, faculty and staff are expected to abide by a code of Christian conduct based on biblical principles. The college administration believes that each person involved in the college should maximize his/her influence for Christ both on and off the campus. Without being unduly legalistic, the following guidelines have been set forth to govern specific areas of student life:

1. **OUR TALK:** Strive to speak with love, kindness and compassion even when others do not talk, act and dress as we think they should.
2. **OUR ACTIONS:** Act toward others the way Jesus would in similar circumstances. This will help us to maintain a wholesome respect for each other.
3. **OUR DRESS:** As a Christian and a member of the Clear Creek Baptist Bible College family each person is accountable for the image or appearance he/she portrays. Students are to be careful at all times of their personal hygiene, modesty, and neatness. For both men and women, clothing should never be too tight or revealing. No tennis shoes, jeans, T-shirts or athletic sports attire may be worn in class at any time. Evening classes (5:00 PM. and after) and summer classes have the same dress code as day time code. All persons are encouraged to use Christian integrity concerning hair length and wearing of jewelry. (Please refer to Student Handbook for further details.)

A student may be placed on probation or dismissed from school for behavior or attitudes which violate the Christian commitment, standards of conduct and/or regulations or policies of the school.

Chapel Attendance

All degree seeking students are required to attend chapel every [fall and spring] semester they are enrolled at CCBBC. Chapel meets twice weekly on campus and attendance is required of all students. All full-time students (enrolled in 12 hours or more) on campus and online, will attend 30 sessions including the lectures (Barry and Lacy-Lykins). More than eight absences will result in failure. Part-time students (enrolled in less than 12 hours) on campus and online will attend 15 sessions each semester. More than four absences will result in failure. Online chapel attendance consists of viewing chapel sessions that have been placed on the college website. Physical chapel attendance is expected of all students attending class on campus on days in which they have classes and will be monitored. During the Student Led Spring Revival and Fall Revival students are required to attend chapel if they have a class that day.

The reporting of attendance for chapel is made online through the college website and is combined with the weekly *Christian Service Guidance Report*.

- On the Monday of each week the reporting module will be opened and will remain open until the student submits his or her report or the reporting period expires in three weeks, at which time the report will be available to the student to view only, but not to alter.
- Students will select each session that he or she attended the previous week from a list of available sessions. Chapel sessions will appear in the list of available sessions until the student has marked the session attended or until three weeks have passed.
- After three weeks, if a student has not marked a session as attended, that session will become unavailable and will be counted as an absence. Once a student has exceeded the maximum number of absences allowed by the policy, he or she must contact the Academics Office to obtain instructions for making up absences.

Failure to meet the chapel attendance requirement will result in placement on academic probation. In order for that probation to be lifted the following term, the student must comply with Academics Office directions for making up absences. A student cannot graduate while on academic probation. Also, a student will be placed on academic suspension if he or she remains on probation for more than two consecutive semester.

Business Services

Financial Regulations

Clear Creek Baptist Bible College is supported by the Kentucky Baptist Convention through the Cooperative Program. Additional income is received from endowment, auxiliary enterprises and in the form of gifts and grants from alumni, friends, churches, businesses, and foundations. The institution receives approximately 30% of its total operating budget from tuition & fees paid by students. Every effort is made by the college to keep the cost as low as possible. Please see the Tuition and Fees sheet for current charge.

Credit Policies

Students are not permitted to neglect their accounts with CCBBC. The college enforces its credit and collection policies in order to maintain a fair, consistent and sound business relationship. All funds received from all student aid (including state, federal, and scholarship sources) will be credited to the student's account in the Business Office. Students must pay accounts in full by the end of each semester to avoid a 6% finance charge.

Payment Policies

Students must have a zero account balance prior to entering class each semester. Students must take financial obligations seriously or face suspension from classes or termination of enrollment. No grades, degrees, diplomas or transcripts are issued until all financial obligations are met.

A payment plan is available to help students. On registration day, the costs per semester for tuition, fees, and housing can be found on the current fee sheet. Any expected financial aid will be subtracted from the total semester charges and the student will be expected to remit the balance due before the first day of classes. Students are expected to provide documentation for any financial aid that will be received from sources other than financial aid provided by Clear Creek.

The deferred payment policy allows students who are not able to pay the semester charges in full before the first day of class to make equal payments during the semester. After consideration of financial aid, one-fourth (1/4) of the balance is due before the first day of class (this is the first payment). Final payment is due by the last day of classes each semester. Any account with an outstanding balance will be charged a 6% carrying charge which will be assessed once at the end of the fall and spring semesters. Students will not be allowed to enter class for the next semester with an outstanding account balance.

The above payment policy is also in effect for the summer term.

Tuition Refund Policies

Clear Creek maintains a policy for refund in such situations as:

1. The student fails to enter the course.
2. The student withdraws from the course

Refunds will be made in accordance with U.S. Regulations 34 CFR 668.22, and the Federal Student Financial Aid Handbook as follows:

1. 100% - withdrawal on 1st day of class (less permitted fee of \$100.00 or 5% of charges whichever is less).
2. After the first day of class, refunds will be calculated by dividing the number of days attended (first day of class through to withdrawal date including weekends) by the total number of days in the semester (including weekends but minus spring and fall breaks of more than five consecutive days). This percentage will be used to determine the amount of tuition the student will be responsible for while the remainder will be refunded to the students' account. This process is the same used by the Department of Education to determine the amount of Pell the student has earned and what portion has to be returned by the university, and is provided by the Departments' R2 T4 website.
 - a. If a student withdraws before the first day of class, no SFA funds may be used to pay any portion of costs, no matter what refund policy a school uses.
 - b. A school may exclude from the Institutional charges a reasonable administrative fee, not to exceed \$100.00 or 5% of total charges, whichever is less. Also, a school may exclude

documented costs to the school of any non-returnable equipment, or returnable equipment that was not returned in good condition within twenty days of withdrawal.

3. Day after 60% of enrollment period – NO REFUND.

Financial Aid Services

Purpose Statement

The role of the Financial Aid Office of Clear Creek Baptist Bible College is to help eligible students pursue their educational goals to facilitate fulfilling God's call on their lives. We recognize that it is the responsibility of the student and his resources to meet educational costs through employment, earnings and other available resources. It is the goal of the Financial Aid Office that no student be denied an opportunity for education due to lack of funds.

To the extent that funds are available, Clear Creek is committed to meeting the full documented need of all students. This will be done through federal, state and institutional resources. Clear Creek provides award packages, which contain both gift and self-help forms of assistance. Priority consideration for funding is given to students who meet established guidelines and early submission of aid forms.

Financial need is defined as the difference between the total cost of attending Clear Creek Baptist Bible College and the amount of the resources available to the student. Financial aid consists of grants, scholarships, gifts, vocational rehabilitation, and employment. A need analysis system is consistently applied for determining financial aid and used as the basis for allocation aid. The estimate of a student's expenses includes tuition and fees, room and board, books and supplies, transportation and nominal personal expenses. A student's financial resources will include consideration of all support (i.e. parents, church, denomination, etc.), earnings of student and spouse, savings, veterans' benefits, and /or outside gifts. The total amount of financial aid offered shall not exceed the cost of attendance. The college's aid will augment the student's efforts.

Financial Aid Application Procedures

A limited amount of awards, grants, and scholarships are available to those who apply for them or who, in certain cases, merit them. Over the years, CCBBC has had donors fund scholarships in which a principal amount is invested and the interest is used each fall and spring semester for student aid. Students should check with the director of financial aid to be aware of current policies and procedures regarding the awarding of financial aid. Scholarships are awarded on a "first come, first serve" basis and are applied to student accounts to meet educational expenses. Clear Creek scholarship funds that create a credit balance on the students account may be removed in order to avoid an over award.

It is recommended that students accepted to Clear Creek should have funds to cover expenses for the first semester. Assistance sent directly to the student family rather than to their account can be used for needs other than those charged to the student account.

Any student who desires financial aid while enrolled as a student at Clear Creek Baptist Bible College must:

1. Complete a "FAFSA": You can find the (Free Application for Federal Student Aid) application online at www.fafsa.ed.gov. When filing your FAFSA, it is recommended that you use the IRS Data Retrieval Tool button. This button allows students and parents to have their IRS tax return information downloaded directly into the FAFSA. If you choose not to use this option you will have a higher chance of being selected for verification by the Department of Education.
 - a. If a student is selected for verification by the Department of Education then a verification worksheet must be completed and signed and returned to the Financial Aid Office.
2. Clear Creek Scholarship Application: Complete this form for consideration for financial aid scholarships administered by the College. This information is subject to review each semester to update any changes.
3. Drug Free Statement: The Department of Education requires schools to publish its policy on drug abuse on a yearly basis as part of the participation agreement. Clear Creek Baptist Bible College is a drug/smoke free campus.
4. Permission to Release Information Form. Although this form is optional, it is highly recommend that you sign it. The purpose of this Form is to give the Financial Aid office the student's permission to release

their financial information to outside sources (for example: A Scholarship Foundation) for the purpose of acquiring additional financial aid for that student.

5. Provide updated financial information as needed.
6. Students shall be made aware of additional scholarships as advertised by the Financial Aid Office.

Satisfactory Progress

Satisfactory progress must be maintained in accordance with 34 CFR 668.16 and 668.34. All students must have a 2.0 by the end of their second full academic year and must have completed 67% of all attempted hours. (Pace calculations: Clear Creek requires 130 semester hours to graduate. The Federal Government allows a time frame or pace of no longer that 150% of school credit hours required. $130 \times 1.5 = 195$ attempted hour's maximum. 130 divided by $195 = 67\%$ required to be completed of all attempted at any given time). Eligibility is based upon attempted hours and will include failed courses, repeats, withdrawals and any incompletes. However, transfer hours will not be used to calculate satisfactory progress.

As per Subpart C-student Eligibility Sec. 668.34 Satisfactory academic progress, special consideration will be given to "mitigating" circumstances. An appeal for a waiver will be presented to the Financial Aid committee and all circumstances taken into consideration. If the committee feels it is appropriate, on a case by case basis, an academic plan could be approved which would allow the student to return to academic progress and aid would be restored. The Financial Aid Director will notify in writing the results of each evaluation and if any appeal has been granted.

Awards, Grants and Scholarships

Student Work-Ship Program

Clear Creek tries to employ as many students or student spouses as possible. All such employees are issued an identification number to use in clocking-in or clocking-out. Applications may be obtained from the Financial Aid Office. The average hours employed is 20 per week; however, some offices employ workers for up to 29 hours per week due to the responsibility of that particular office. Before new employment begins, the supervisor will send a notification of employment with the new employee to the Financial Aid Office and the new employee will be asked to complete withholding forms for federal and state tax purposes. The new employee will need to include their CCBBC mail box number, e-mail address, along with a blank voided check for direct deposit and a copy of their driver's license.

Any person working towards a degree at Clear Creek and an employee of the Work-Study/Work-Ship program is exempt from having social security withheld. Employees not pursuing a degree must have social security withheld. Any semester (including summer terms) that a student is not enrolled for classes, social security will be withheld. It is the responsibility of any employee to notify the Business Office in the case of a change in status. Employees are paid every Friday. Copies of pay roll reports may be obtained from Business Services with 24 hours' notice.

Off campus employment is available for those willing and able to work. Many establishments are located in Pineville and Middlesboro pertaining to Food Services and retail as well as other employment opportunities. The Office of Employment phone number is (606) 248-2792. CCBBC encourages students to work, trust in God and not to depend on government assistance for their keep.

Government Financial Aid

Pell Grant

Pell Grant is a federally funded program to help undergraduate students pay for college education. It is designed specifically for students who have not earned their first bachelor's degree. Unlike loans, a grant is not paid back. Pell Grant funds will be administered according to the guideline outlined by the federal government in The Federal Student Financial Aid Handbook.

Eligibility is determined by a standard formula used by the Department of Education. This formula was passed into law by Congress and evaluates the information reported on the student aid application. The formula produces an Expected Family Contribution (EFC) number. This number determines your eligibility. Some factors which are considered in the formula include income, number of dependents, age, and GPA.

The maximum award will depend not only on Pell Grant Index number but on the cost of education, full or part-time status, and dates of attendance. If a student enrolls full-time his first semester and then part-time his second semester, his award amount must be recalculated. A student, who enrolls full-time then drops below full-time after classes begin, and does not attend the class he is dropping, must have his award adjusted. Also, if a student enrolls full time and then drops a class before the end of drop/add, his award must be adjusted. However, the same is true for a student who adds a class. A student who goes from less than half time to half time, half time to $\frac{3}{4}$ time or $\frac{3}{4}$ to full time, may have his/her award adjusted upward. Currently Pell Grant is Limited to a first Bachelor's degree and a time frame of 12 full semesters at which time a student would no longer be eligible.

The policies and procedures of the Federal Financial Aid program may change at any time. The college will adhere to federally-mandated guidelines so as not to endanger students' federal financial resources.

Veteran's Benefits

The Department of Veteran's Affairs (VA) provides educational benefits to eligible persons under several Federal programs. Veterans' benefits will be administered according to the guidelines in Certification of Students under Veteran's Law. Students who have been in the military should see the director of financial aid for eligibility requirements.

Federal Supplemental Educational Opportunity Grant

The Federal Supplemental Educational Opportunity Grant (FSEOG) is limited to exceptionally needy undergraduate students. The amount of funds available to a school is determined by the Department of Education and awarded yearly. The guidelines for awarding this grant are provided in the Federal Student Financial Aid Handbook.

Federal Work-Study Program

The Federal Work-Study Program helps provide for part-time employment of undergraduate students and is part of the campus employment. The amount of funds available to a school is determined by the Department of Education and awarded yearly. A student must apply for Federal Student Aid and be determined to have financial need in order to be eligible for Work-Study funds. The guidelines for awarding these funds are provided in the Federal Student Financial Aid Handbook.

Vocational Rehabilitation

Some state monies are available through the Vocational Rehabilitation Program. This program aids eligible persons to supplement cost of education because of a disability. Students usually initiate this program through a personal vocational rehabilitation counselor; however, the college can refer students if it deems appropriate. The director of financial aid will work with each student's vocational rehabilitation counselor to administer vocational rehabilitation funds.

Student Employment Program

Employment is offered under CCBBC's Work-Study/Work-Ship Programs. A small number of jobs on campus may receive Title IV funding. However, the vast majority of funding of student employment is provided by Clear Creek. While employees of Work-Study must be students exhibiting financial need, many spouses and children are also employed. Applications are available from the financial aid office or on the CCBBC website.

In order to ensure consistency in hiring for the work-ship/work-study positions at Clear Creek Baptist Bible College, the following procedure must be followed. All job openings go to the financial Aid Secretary to be properly posted. Please provide the Financial Aid Secretary all pertinent information concerning the available position; including the skills and hours needed and the close date of the posted position. The Financial Aid Secretary will post the available position in the Clear Creek Current, by e-mail to all students, and on the job posting boards outside of the Financial Aid Office and in the Foxes' Den.

Those interested in a posted position must first contact the Financial Aid Office to complete a job application and ask that their application be forwarded to be considered for a particular open position. The employment application is then scanned to a PDF document so the application can be forwarded to the appropriate Supervisor of the open position. If an employment application is already filled out and is still current then no new application needs to be filled out. The Financial Aid Office just needs to be contacted concerning the open job and asked to send their employment application for a particular job opening.

The following are considerations that need to be made in the hiring process:

- Skills needed for the particular position
- Availability of the needed hours
- Are they currently employed by CCBBC
- Attempt to have at least one member from every household employed by CCBBC before hiring two members from the same household.

When a student is hired his/her application will be removed from the active file. If the worker wishes to be considered for another position on campus he/she must file a new application in the Financial Aid Office.

Supervisors are to complete a "Notification of Employment" form and forward it to the Financial Aid office.

Documents needed from the New Employee **Before Beginning Work:**

- A W-4 Withholding Form (provided by the Financial Aid Office)
- A blank voided check: for paychecks to be direct deposited into employees' bank account.
- A copy of driver's license
- The CCBBC mailbox number
- And a student e-mail address and/or home e-mail address: to e-mail the paystub to employee.
-

The Financial Aid Office will then send the documents to the Administrative Affairs Office and then it is sent to the Business Services Office for completion.

- **The Hiring Process Has Not Been Completed Until All Forms Have Been Received And Processed.**
- **Business Services Will Notify The Supervisor By E-Mail When This Process Is Completed. These Procedures Should Be Strictly Followed Due To Workman's Compensation Regulations.**

It is the responsibility of the supervisor to go through the Work-Study/Work-Ship Employee Handbook and Safety Handbook with their new employee. Each employee is expected to abide by the Policies and Procedures in the Work-Study/Work-Ship Employee Handbook.

All Work-Study/Work-Ship employees will be subject to a six weeks probationary period. During this period the new employee will be monitored for satisfactory performance. If, during this time, the employee is not able to meet minimum job requirements or progress satisfactorily, he or she may be dismissed from the Work-Study Work-Ship Program.

CCBBC values faithfulness, longevity and loyalty to each worker position. However, if a Work-Study/Work-Ship employee desires to seek a new position at Clear Creek Baptist Bible College through a transfer, they must complete a "Job Transfer Notification Request" form with their current supervisor and submit it to the Financial Aid office indicating the new position they wish to apply for. These forms can be acquired from their current supervisor or from the Financial Aid Office.

Admissions

Clear Creek Baptist Bible College is an institution of the Kentucky Baptist Convention. Our basic purpose is to provide educational preparation for men and women preparing for Christian service. The College emphasizes the preparation of vocational ministers but other believers can secure biblical training for Christian service in the church and community.

As a Christ-centered educational institution, the college is redemptive, but not rehabilitative, in nature. Therefore, a person should not come to college with serious family, health, emotional, or financial problems. The pressures of study, family, finances, church participation, and other factors weigh heavily upon the students and their families. These pressures can affect the well-being of the student.

Candidates for admission to Clear Creek must provide personal references and a church endorsement. Also required are records of active church membership, a history of responsible financial management, a mature Christian character, and promise of continued intellectual and spiritual growth. In seeking admission to the college, each candidate agrees to abide by all its rules and regulations.

All applicants for admission or readmission must qualify under the following specific requirements:

1. Give evidence of divine call to vocational ministry or Christian service.
2. Have at least one year active church membership before applying.
3. Give evidence of their ability to manage any indebtedness.
4. Must be free from the use of tobacco, narcotics, intoxicants or habit forming drugs in any form. Members of their family living on campus also must refrain from the use of such substances.

Additional requirements apply to applicants who come under "International Student Admission" or "Special Circumstances".

International Student Admission

Clear Creek is permitted under Federal law, to enroll nonimmigrant international students. Such students must take the following steps to gain admission to the college.

1. Submit a completed Application for Admission packet.
2. Pay applicable fees.
3. Take the Test of English as a Foreign Language (TOEFL) and arrange for the official score to be sent to the college. The minimum acceptable paper based TOEFL score is 527 and the minimum acceptable computer based score is 197.
4. Arrange for the Admissions Office to receive an official and final transcript for all courses attempted and completed in secondary school (equivalent of U.S. high school).
5. Arrange for the Admissions Office to receive official transcripts from all colleges and universities previously attended and/or currently attending.

When notified of provisional acceptance, an international student must send to the Admissions Office an advanced payment (in U.S. funds) equal to the cost of one full year of the college's tuition, fees, room, meals and estimated personal expenses (approximately \$14,000.00). An international student must also furnish documents that show they have the necessary finances to pay for future tuition, fees, room, meals and personal expenses. Upon the receipt of the deposit and the necessary financial documents, Clear Creek will issue an acceptance letter and an I-20 form needed by the individual to obtain a student visa.

The acceptance letter furnished by the college must be presented to the Consular Officer of the United States. The I-20 information will be entered into SEVIS and can be accessed by the Consular Office. The student must be approved by the Immigration and Naturalization Service (INS) to attend Clear Creek. The college will not enroll students issued visas for enrollment at other colleges. The college will evaluate transcripts course by course in accordance with Office of International Education Services (OIES) through AACRAO guidelines.

Special Circumstances

1. Application by a person who has been divorced and/or whose spouse has been divorced requires a special application procedure for such persons seeking admission. Information may be obtained through the Admissions Office.
2. Persons who are incarcerated or on penal probation will be considered for admission after the probationary period has expired.

Admission Procedures

The prospective student should initiate all correspondence, interviews concerning application and admission with the Director of Admissions. Any falsification of the application information will be deemed grounds for rejection. Each applicant will be considered on an individual basis by the Admissions Director. Steps in making application are:

1. Give evidence of divine call to vocational ministry or Christian service.
2. Read a copy of the current catalog carefully.
3. Complete all parts of the application including personal information, medical reports, church endorsement, and references.
4. Return completed application form with the appropriate application fee to the Admissions Office. Have the other forms sent to the Admissions Office by the individuals completing them.
5. Have official transcripts sent to the Admissions Office if applicants have attended high school, an accredited college, or Bible school.
6. Try to complete the application process by July 15 for admission to the fall semester, or by December 1 for admission to the spring semester. Approved applications will remain valid for two years allowing an individual admission during that time, unless there have been major changes in the life and ministry of the applicant. The Admissions Office expects to be kept posted as to the status and intentions of the applicant during any delayed enrollment.

An applicant cannot be officially enrolled until the application process is complete. The applicant will be officially notified in writing by the Director of Admissions as to the acceptance or rejection of his/her application. Admission to the college does not guarantee student housing. If the applicant is approved for campus housing and does not enroll and move on campus for the next semester, then the student must reapply for student housing.

Non-Degree Seeking Students

A non-degree seeking student is an individual enrolled at CCBBC who is not pursuing a degree at CCBBC. Non-degree seeking students are admitted without satisfying the usual entrance requirements of the college, provided there is proof of adequate preparation for the courses to be taken. A non-degree seeking student who decides to pursue a degree must complete the entire application process. Financial aid is available only for students who are pursuing a degree. A non-degree seeking student is restricted to 28 credit hours.

Admission to the Degree Program

Any student who wishes to pursue a degree must:

1. Have a high school transcript or GED and transcripts from all colleges attended on file.
2. If a home school applicant, submit an official state certificate of the home school program that the student graduated from or GED test scores.
3. Maintain the minimum grade point average according to the standards established by the college (See Minimum Scholastic Attainment, p.33).
4. Submit official state certification, GED test scores, or proof of passage of the Ability to Benefit test to receive financial aid.

Readmission

A student who has withdrawn from school, or does not return for the next semester because of what has been termed a "hardship" reason, or voluntary interruption of study, shall, if absent for less than two years, have to complete a partial application. If absent for over two years, the full application process shall be required. The readmitted student must enter under the catalog in place at the time of the readmission.

Any student who has been suspended for disciplinary reasons will not be considered for re-admission until the suspension has been served. A request for readmission must be made to the Admissions Committee (as directed in the Student Handbook) before any consideration can be made. A candidate for readmission may be subject to completion of the full application process.

A student who applies for readmission and has an outstanding balance must settle his/her account before readmission.

Dual Enrollment

Admission Policies

High school juniors and seniors may apply for admission as dual enrollment students by submission of the "Dual Enrollment Student Application".

Dual enrollment applicants are not subject to any application fee.

The applicant must submit as part of their application their high school transcript. Also, the application requires a signature granting approval for the student to be engaged in college level work from the appropriate school official at his or her high school (or authorized home school instructor).

Clear Creek Baptist Bible College does not guarantee the acceptability of its credits toward any secondary school division or homeschool curriculum. Applicants should examine the acceptability of such credits with their school prior to applying.

Academic Policies

Students are eligible to earn up to a total of 28 hours while in dual enrollment status.

First semester dual enrollment students may enroll in no more than 7 hours. If the student's GPA is 3.0 or better after the first semester of enrollment, he or she may enroll in up to 12 hours in each subsequent semester provided his or her GPA remains at 3.0 or better.

Standard requirements for obtaining transcripts apply to dual enrollment students. Transcripts will not be sent to a dual enrollment student's high school/homeschool without completion of a transcript request form and payment of the applicable fee.

Distance Education

Online Classes

Students enrolled at Clear Creek Baptist Bible College may choose to take online courses. In order to participate in online classes a student must have access to a computer system and have access to the Internet.

Online courses are taught in an asynchronous format (the instruction is made at a time different than when it is received). Asynchronous courses use a delivery system that allows independent online study, where students can access course content and interact with the professor and students at different times. The online delivery method has the same academic requirements as those courses taught in the traditional classroom environment.

Asynchronous courses are conducted and developed in coordination with the Clear Creek Baptist Bible College faculty. During the course, faculty assesses students, respond to inquiries, and hold dialogues with the students to support learning efforts. Student assessment typically includes exercises, written exams, quizzes, projects, research papers, and cases analysis. Discussion forums allow the students to answer questions and issues posed by the professor in the class and to interact with other students in the course.

Students are able to contact their instructor by email, telephone or by scheduled personal meetings. A constant academic dialogue is maintained as students submit their assignments throughout the time-frame of the course and receive feedback from the instructor.

Students taking online classes must meet the same admissions and financial aid requirements, must observe the same policies and procedures and have the same access to student services as those taking classes in the traditional classroom environment.

In order to satisfy weekly attendance requirements, online students must demonstrate weekly attendance activity by completing one of the following actions as directed by the instructor: (1) submit an academic assignment; (2) take a quiz or an examination; (3) participate in a posted online academic discussion. Logging into an online class without active participation (as described above) does not constitute official weekly attendance. The College's policy on attendance, irrespective of delivery platform is listed in the college catalog.

College Web Site

Clear Creek Baptist Bible College maintains a web site on the Internet (www.ccbbc.edu). Information is available regarding academic programs, admission requirements, campus location, student services, Christian Service, Alumni Relations and Campus life. From the web site inquiries, prospects, students, alumni and friends can perform many functions. Some of these functions include:

- View current class schedules
- Register for classes
- Apply for admission to the college
- Apply for financial assistance and scholarships
- Access academic program information
- Locate contact information for individuals on the campus
- Access Christian Service programming
- Access the Carolyn Boatman Brooks Memorial Library
- Access the online learning platform

Academic Policies

Orientation

Each new student is expected to attend orientation and take required tests prior to registering for their first semester.

Special features of the new student orientation include: testing, program advising, acquainting new students with CCBBC regulations and academic requirements, and introducing the new student to school personnel. Worship, recreation, and social activities are also part of orientation. This is a time to meet and make new friends and become acquainted with campus life.

Academic Support

CCBBC staff is available, by appointment, for assistance in course work and guidance in GED preparation. For new students with limited academic preparation, several noncredit courses are offered to improve learning skills. Please contact the Academics Office for details.

Program Advising

Upon entry, each student is assigned a program advisor. This advisor is the student's counselor regarding all academic matters. Any academic procedure such as registration, dropping or adding classes, or withdrawal from school must begin with the program advisor. Normally, a student will have the same program advisor during his entire academic career. A student who changes programs must enter a program under the catalog in place at the time of the change.

Registration Procedure

Registration procedures will be communicated to students prior to each semester. Students must consult with their assigned program advisor prior to registration. Students should follow published registration rules. No one will be allowed to register after the first week of classes without the approval of the professor(s), program advisor, and the academic dean.

Dual Enrollment

Students are eligible to earn up to a total of 28 hours while in dual enrollment status.

First semester dual enrollment students may enroll in no more than 7 hours. If the student's GPA is 3.0 or better after the first semester of enrollment, he or she may enroll in up to 12 hours in each subsequent semester provided his or her GPA remains at 3.0 or better.

Standard requirements for obtaining transcripts apply to dual enrollment students. Transcripts will not be sent to a dual enrollment student's high school/homeschool without completion of a transcript request form and payment of the applicable fee.

Acceptance of Academic Credit Policy

In order to avoid duplication of academic credit and ensure the integrity of the degree programs at Clear Creek Baptist Bible College the acceptability of academic credit for transfer from other institutions will be restricted to the following circumstances.

- 1) For credit earned at an institution that is accredited by a CHEA-recognized body, the credit must be of like nature and parallel in content and quality and graded as "C" or better.
- 2) No credit will be awarded for life experience or professional certificates.
- 3) No credit for English Composition courses will be accepted without satisfactory completion of the English entrance examination.
- 4) No credit for courses in doctrine will be accepted from non-Baptist institutions.
- 5) Credit earned at an institution that is not accredited by a CHEA-recognized body may still be accepted if the above criteria are met and if at least three accredited institutions have accepted transfer credit from the unaccredited institution in question.
- 6) Credit may be awarded for the satisfactory completion of Advanced Placement (AP) examinations. Satisfactory completion is considered a score of "3" or better. For all natural science AP examinations scored "3" or above three (3) semester hours of lecture credit and one (1) semester hour of laboratory credit will be awarded. For all history AP examinations scored "3" or above six (6) semester hours of credit will be awarded. For all other discipline AP examinations, three (3) semester hours of credit will be awarded in the respective discipline.

7) Credit may be awarded up to a total of 30 hours for an associate's degree and 60 hours for a baccalaureate degree.

The responsibility for the enforcement of this policy is assigned to the Registrar. Upon receiving an official transcript of an applicant or student the Registrar will use the criteria outlined above to prepare a transcript evaluation. In the case of transcripts from unaccredited institutions, the individual seeking to transfer the credit must submit course syllabi (including booklists) and course catalog (including the credentials of the course instructor) for review to determine "like nature" and "parallel content and quality". The Registrar will present the evaluation for review to the Dean of Academic Affairs. Upon approval, the Registrar will inform the applicant or student and his or her advisor of the approved transfer and enter it upon his or her transcript with a grade of "S", excluding it from GPA calculation.

Transfer of Credit to Other Institutions

Credits earned at Clear Creek Baptist Bible College may be transferred to other institutions. Decisions concerning acceptance of credit is under the control of the receiving institution. Students anticipating transferring credits to another institution should consult that institution prior to enrolling. Accreditation does not guarantee transferability of credits.

Course Load

Any student enrolled in 12 or more credit hours is considered full-time. Any student enrolled in less than 12 hours is considered part-time. Any student who wishes to take more than 18 hours per semester must receive permission from the academic dean and pay appropriate fees.

Class Changes

Once a student has registered, his or her schedule can be changed by following the established drop/add procedure which must begin with their advisor. Students may only add a class during the first week of class. Students may withdraw from a class up until the ninth week and receive a grade of "W" which is not calculated in the GPA. Any class dropped after the ninth week will be assigned the grade of "F". Drop/Add forms may be obtained in the Academic Office and are not considered complete until the student obtains all necessary signatures and submits the form to the Academic Office. Any student who feels he must withdraw from school should confer with the Dean of Students and the Academic Dean. If withdrawal is deemed necessary, he should follow the established withdrawal procedures. A form for withdrawal may be obtained in the Academic Office.

Auditing Classes

Individuals who wish to audit in classes should inquire with the Admissions Office. After the second week of classes any person who is enrolled as an auditor may not change his/her enrollment status to receive credit. The current add policy does allow enrollment during the first two weeks of classes.

Classification

Students who have successfully completed courses in progression toward accomplishing their program as outlined in this catalog will be categorized as follows:

CLASS	HOURS
Freshman	0-29
Sophomore	30-59
Junior	60-89
Senior	90-120+

Calendar

Clear Creek conducts classes on a semester system with two semesters per year and a summer session. Each semester is 16 weeks and the summer session is eight weeks. Credit is measured in semester hours. One semester hour is credited for each 16 hours of class. (See Academic Calendar for current dates.)

Class Scheduling

Clear Creek welcomes students who wish to attend school on a four-day or two-day schedule. Normally, students living on campus attend classes daily. In some cases, students with church and other commitments are not free to engage in a daily program of study. With this in mind, class schedules have been designed for students to attend two days (Tuesday and Wednesday or Thursday and Friday). The two day schedule enables students to spend only one evening away from their families and churches. To complete a program of study, at some time during his progression a student may need to adjust his schedule to the other two day schedule or to a four day plan in order to take all courses needed to graduate. Students who study on the two-day plans should not expect to finish in four years.

Evening Classes

Evening classes on campus may be offered requiring the same study load and responsibilities as regularly scheduled day classes. These classes enable a student who must work during the day to further his education in the evenings. These classes are open to all full-time, part-time, and special students.

Classes (including General Education Studies' classes) are offered at night and/or on-line on a schedule that permits a student to earn a degree. Interested students should contact the Admissions Office for further information. All participating students should make appropriate application to the school and pay all appropriate fees.

Online Classes

The college offers a variety of classes online. The courses offered are of equal quality and difficulty as on-campus courses. Regular per hour fees apply along with a technical fee. For more information, go to our web page: www.ccbbc.edu. Click on Academic Program and then Academic Resources to see availability of courses and the course schedule. To check the fee schedule, click on Admissions.

Summer School Guidelines

Summer School tuition is charged on a per hour basis.

Anyone who participates in graduation may not charge summer school costs unless a credit sufficient to cover the cost remains on his/her account.

Students must pre-register for each term of summer school through their advisor. Program plans are not binding but will qualify students to purchase textbooks first. Any person who does not pre-register may purchase books left on a first-come, first-serve basis. There is no cost to pre-register.

Intensive Classes

One week intensive classes are typically offered in January during Orientation Week and in May following graduation.

The Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

1. The right to inspect and review the student's educational records.
2. The right to request the amendments of the student's educational records to insure that they are not inaccurate, misleading, or otherwise a violation of the student's privacy or other rights.
3. The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent the FERPA authorizes disclosure without consent.
4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by the college to comply with the requirements of FERPA.
5. The right to obtain a copy of the college's student record policy. You can obtain a copy of the policy from the Registrar's Office.

This institution is in compliance with 34 CFR 99, which is the Code of Federal Regulations concerning the Family Educational Rights and Privacy Act.

Proficiency Courses

Every degree seeking student must take the ACCUPLACER test in English and Math. Failure of the applicable test below will result in the following requirements:

1. If the English section is failed, the student must take the English Proficiency course the next time it is offered. The student must retake the English section of the ACCUPLACER test and pass it before proceeding.
2. If the Math section is failed, the student must take the Math Proficiency course the next time it is offered and retake the Math portion of the ACCUPLACER test.
3. In the event a student fails both, the student's course load is restricted to 12 hours and the proficiency courses must be taken the next time they are offered.

Every graduating senior must demonstrate math proficiency before graduation by passing the ACCUPLACER test, passing a college level (for credit) math course, or scoring 18 on the math section of ACT or 440 on the math portion of the SAT.

The college reserves the right, based on the English proficiency examination taken before registration, to determine whether English credit from other institutions is transferable into a program of study at CCBBC.

Grading

Course grades are entered into the student's permanent record by letters. Grade points are also awarded, for computation of numeric GPA, based on a four point scale.

SCALE	QUALITY POINTS		
	GRADE	VALUE	DEFINITION
96-100	A	4.00	Exceptional
91-95	A-	3.70	
88-90	B+	3.30	
84-87	B	3.00	Above Average
81-83	B-	2.70	
78-80	C +	2.30	Average
74-77	C	2.00	
71-73	C-	1.70	
68-70	D+	1.30	
64-67	D	1.00	Minimal Performance
61-63	D-	0.70	
0-60	F	0.00	Failure
P	none	Passing	
I	none	Incomplete	
W	none	Withdrew	
S	none	Satisfactory	

A student receiving an "F" in a required and/or core course must repeat the course the next time it is offered in a regular semester. With special permission a student may repeat a course if a "D" was received. The GPA will be based on the last passing grade awarded for the course. An incomplete, "I", must be made up **within three weeks** following the semester in which the "I" was received or it becomes an "F".

With special permission of the Academic Dean, a student may substitute one elective course for another of the same emphasis if a grade of "D" or "F" is received. The substituted course will be used to calculate the student's GPA.

The basic method for calculating GPA is to divide the total number of quality points by the number of hours attempted. For example, if a student earns four "B"s in two-hour courses, one "A" in a three hour course, and one "C" in a three hour course the quality points for that semester would be calculated as follows: (2x3.00) +

(2x3.00) + (2x3.00) + (2x3.00) + (3x4.00) + (3x2.00) = 39.00. The quality point total (39.00) divided by the total number of attempted hours (14) equals the GPA (2.79).

Minimum Scholastic Attainment

A student must attain and maintain a grade point average of 2.0 by the time 64 semester hours have been attempted. The record will be judged on the basis of semester hours completed and progress made according to the table below:

1-14	1.5
15-31	1.6
32-47	1.7
48-63	1.8
64 or more	2.0

Transfer students should note that only course work completed at Clear Creek Baptist Bible College is used in the calculating above.

Academic Standing

To maintain acceptable scholastic standing for graduation, a student must have an overall GPA of 2.00 ("C" average).

Academic Honors

In recognition of academic excellence, those full-time students who have achieved a grade point average of 3.50 or greater during any given semester will be placed on the Dean's List.

Academic Warning

Academic Warning means a student's cumulative GPA is below 2.00 but above the minimum requirement for academic probation. The status is designed to place the student on notice that improved performance must occur or further academic disciplinary action will result.

In the first semester on academic warning, the student is required to follow any instructions approved by the Academic Dean. A student will remain on academic warning until his cumulative GPA is at least 2.00 or until placed on academic probation.

Academic Probation

Academic Probation means a student's cumulative GPA is below a minimum level determined by the total number of credit hours completed (see Minimum Scholastic Attainment). Academic probation indicates a student's continued enrollment at Clear Creek Baptist Bible College is in jeopardy. The college desires to see the student succeed, but the primary responsibility rests with the student to improve to the required level for continued enrollment.

A student on academic probation will not be considered to be in good academic standing and therefore will not be allowed to represent the college in any capacity except as required through college workshop. A student will be removed from academic probation upon attainment of a minimum cumulative GPA for the number of credit hours attempted (see Minimum Scholastic Attainment).

Prior to registration for each semester in which a student is on academic probation the student must meet with his advisor to work out an appropriate plan for achieving the required level of academic success. This plan must be approved and verified in writing by the advisor and the Academic Dean before the student will be permitted to register. A student will continue to be on academic probation for no more than two consecutive semesters. After two consecutive semesters of academic probation, a student will be suspended. Some students are admitted on academic probation and must meet requirements as stated in their letters of acceptance.

Tutoring Services

Tutoring services are available at specified times during the school year in the Tutoring Center on the second floor of the library. Any student may take advantage of these services at no charge, including Distance Education students who can meet with tutors electronically. Participation in tutoring is mandated for students on academic probation.

1) Students who are placed on academic probation must set up a meeting at the tutoring center during the first two weeks of classes.

- 2) In this meeting, the tutor and the student must create an academic success plan for the semester. This plan must include the following elements:
 - A) A description of problematic academic achievement areas: tests, writing, time management, study skills, etc.
 - B) A determination of the frequency and duration of required tutoring sessions.
 - C) A review of current obligations and a plan/schedule for completing all major assignments for the semester.
 - D) Any other individual areas of improvement that need to be addressed such as tardiness, class, attendance, etc.
- 3) The plan must be submitted to and approved by the Director of Developmental Studies. This plan serves as a contract between the student and the school and must be fulfilled in order for student to be removed from probationary standing.
- 4) The student must provide midterm reports to the Director of Developmental Studies.

Academic Suspension

Academic Suspension means all attempts to improve have been unsuccessful and the student will not be allowed to continue enrollment for a specific period of time.

The first time a student is placed on academic suspension, it is for one semester. A student who receives a second suspension may not return to the college for a full calendar year following the date of suspension. Readmission after academic suspension is not guaranteed but will require an application to and discretionary action by the Admission Committee. Any student readmitted after academic suspension will be readmitted on academic probation.

A student will be academically suspended if the student:

1. Fails to achieve a semester GPA during the first semester on academic probation greater than the minimum GPA required for the total number of credit hours attempted (see Minimum Scholastic Attainment).
2. Fails to attain the minimum cumulative GPA required for the total number of credit hours completed by the calendar year on academic probation.
3. Has excessive class absences (see Class Attendance Policy).
4. Fails to adequately makeup excessive chapel absences.

Class Attendance

Students are responsible for all course work from the first day of the semester. Students are expected to attend **ALL** classes. There are no "excused absences." All absences count in the following policy.

Any student who misses more than the following number of sessions of a course fails the course unless an appeal is made and a waiver granted after reaching the following:

Two Hour Classes Meeting Twice Weekly (the equivalent of 1 session per day):

6 days of absence, which is the equivalent of 6 sessions.

Two Hour Classes Meeting Once Weekly (the equivalent of 2 sessions per day)

3 days of absence, which is the equivalent of 6 sessions.

Three Hour Classes Meeting Twice Weekly (the equivalent of 1.5 sessions per day)

4 days of absence, which is the equivalent of 6 sessions.

Three Hour Classes Meeting in One Session (the equivalent of 3 sessions per day)

2 days of absence, which is the equivalent of 6 sessions.

Three tardies for an on-campus course constitute the equivalent of one day of absence.

Online Courses: Inactivity for three weeks, not necessarily consecutive. Activity is defined as:

- Submission of an assignment
- Participating in an exam
- Participating in a course discussion or forum
- Any other verifiable participation toward the requirements of the course.
 - The professor has the final word on what participation is verifiable.
 - Studying is not verifiable.
 - Reading an assigned text is not verifiable.

- Viewing videos, listening to recorded lectures, or accessing materials on the course website may or may not be verifiable.
- The student should consult with the professor for specifics.

The student **must** appeal to the Academic Affairs Committee (AAC) after reaching any of the above scenarios if the student desires to be considered for a waiver. A face-to face-meeting will be required with the Academic Dean and the AAC to consider granting of the waiver. A waiver may be granted upon the recommendation of the Dean and the AAC. A signed form from the Academic Affairs office will required to be readmitted to the specific class.

Even if a waiver is granted, all absences continue to accumulate. Any student who misses more than 25% of the sessions of a class automatically fails. To see how that applies to various class scenarios, see below:

A two-hour class is considered as 32 sessions.

- In a 2 hour class, meeting once per week (16 weeks and 2 sessions per day) “More than 25% of classes” would be:
 - More than 8 sessions or
 - More than 4 days or
 - More than 4 weeks.
- In a 2 hour class, meeting twice per week (16 weeks and 1 session per day) “More than 25% of classes” would be:
 - More than 8 sessions or
 - More than 8 days or
 - More than 4 weeks.

A three-hour class is considered as 48 sessions.

- In a 3 hour class, meeting once per week (16 weeks and 3 sessions per day) “More than 25% of classes” would be:
 - More than 12 sessions or
 - More than 4 days or
 - More than 4 weeks.
- In a 3 hour class, meeting twice per week (16 weeks and 1.5 sessions per day) “More than 25% of classes” would be:
 - More than 12 sessions or
 - More than 8 days or
 - More than 4 weeks.
- In a 3 hour class, meeting three times per week (16 weeks and 1 sessions per day) “More than 25% of classes” would be:
 - More than 12 sessions or
 - More than 12 days or
 - More than 4 weeks.

In online classes, “more than 25%” is generally considered as “more than 4 weeks” for the usual 16 week term.

Directed Independent Study

A third or fourth year student may participate in a directed independent study. An additional charge is assessed for all directed independent studies. In all cases of independent directed study the student must gain the approval of the course instructor prior to registration and complete a written contract. The contract will include requirements to be completed by the student. A copy of the contract will be forwarded to the Academic Dean’s office for approval. Participation in directed independent study shall not exceed two academic courses during a student’s enrollment unless the student has received special consideration by the faculty and Academic Dean.

A student may be placed on probation or dismissed from school for the following reasons:

1. Inability to meet the academic requirements.
2. Any evidence of cheating and/or plagiarism in respect to examinations and class assignments.
3. Excessive chapel absences

Faculty Invitation to Continue Study

The faculty will meet once a year to review the conduct of each student to determine whether the student should be allowed to return the next academic year.

Withdrawal Procedures

If for any reason it becomes necessary for a student to leave school, a withdrawal form must be completed. This form is obtained from the Academic Office and must be signed by:

1. Program Advisor
2. Academic Dean
3. Dean of Students
4. Director of Library Services
5. Business Office Supervisor

Withdrawal is not complete until student housing is vacated, the Physical Plant/Kelly Hall is notified, all appropriate financial arrangements have been made in the business office, and the student receives a copy of the completed withdrawal form. If the student drops out of the institution without notifying the institution (i.e. does not officially withdraw), the last recorded date of class attendance by the student, as documented by the institution, will be considered the withdrawal date. See student fee sheet for refund information.

- **You are responsible** for turning in **ALL** keys to the Physical Plant/Kelly Hall **before** vacating the premises.
- The Physical Plant will notify the Business Office if there are any charges or refunds to be assessed to your student account.
- The Business Office will send you a current statement within seven business day **after** you have completed the withdrawal process **and** vacated the premises.

Intellectual Property Rights Policy (Adopted by the faculty October 14, 2002)

A. Internet Course Materials

The Academic Affairs Committee recommends that the following policies be approved and implemented in relation to the internet/online courses at Clear Creek Baptist Bible College.

1. Clear Creek Baptist Bible College will enter into a contractual relationship with the professor who is asked to produce an online course in order to protect the intellectual property of the professor and the ability of Clear Creek Baptist Bible College to provide continuous, quality online courses in the event of the professor's leaving the College for whatever reason. It is understood that the intellectual material (content-lecture notes, charts, etc) is the intellectual property of the professor and the course (the vehicle of offering/presenting the material online) belongs to the College. Thus, it is intended that both be protected in mutually satisfying and beneficial ways.

This contract will strive to guarantee that the intellectual materials presented on the online course will not be changed or modified without the permission and knowledge of the professor so that it remains his materials. As one professor on the committee put it, "This keeps the professor who may hold to one eschatological viewpoint from having his materials changed so that he holds another viewpoint." The content of the course will guarantee the College has access to this material as long as the College deems it needful and useful to accomplish its goals and as long as the professor is serving under a current contract.

2. The annual contract of each professor who is asked to produce an internet course will indicate the renewal of first rights for the college on the course(s) the College selects to use for the current year and the following year as a safeguard for the College's ability to offer the particular online course. In essence, this will be a two- year contract that is renewable each year the professor's contract is renewed. This contract will also protect the college from having the same course offered at another institution or as the professor's personal online course(s) simultaneously.

3. Should the professor leave for whatever reason the second year's option of the online course could be exercised by the school by virtue of the previous year's contract. This ensures that the college would not find itself in a place needing to offer an online course and not having access to one. For example, the professor signs a contract for the year 2002-2003. His contract will stipulate that the online course he has produced could be used by Clear Creek the years of 2002- 2003 and 2003-2004. Should his contract be renewed another year (2003-2004), then his contract would indicate that the online course would be renewed for 2003-2004 and 2004-2005.

4. If the professor has left the College and if the school needed and/or wanted to utilize the same online course the second year after the professor left, then the College and the professor would enter into negotiations for the use of the course. It is assumed that the school would allow its new professor to develop his course(s) as soon as possible and that the former professor's course would no longer be needed and utilized in the online courses offered. For example, the professor had a contract for 2002-2003 and then left, his contract would guarantee that the College could use the online materials for 2002-2003 and 2003-2004. If the school needed and wanted to use it the 2004-2005 terms, then they would negotiate with the professor for the use of the course.

5. The College and the professor recognize that when he is requested to develop an online course, he will be credited with either two (2) hours or three (3) hours of teaching load during that semester. So, if a professor is teaching a twelve hour load and is developing an online course that semester, he will receive credit for fourteen hours. If it is a three hour course, then his load would be fifteen hours.

6. When the professor is teaching the online course, he receives credit for teaching the two-hour course as if it was another scheduled extension or campus course. For example, he teaches twelve on-campus hours and one two-hour online course, then he would receive a total of fourteen instructional hours.

7. The professor might be asked to teach the online course a second time and this may be counted as part of his normal teaching load. Should he be asked to teach above the normal load, he could request to teach the online course as an adjunct and then receive the normal adjunct stipend. If he chooses not to teach the course as an overload, then the course will be offered to current faculty. If no one on the current faculty desires to teach the course, then it will be offered for outside adjunct instructors to teach as the Academic Dean would recommend.

B. Workbooks and Other Academic Materials

1. The Academic Dean may request that a professor produce certain workbooks, syllabi, and other academic materials on school time and equipment for Clear Creek's courses. These requested materials will remain the property of the College as long as it continues using the specific text and workbook approach for the extension accreditation policies. Once the course is dropped by the College, another workbook or other academic materials are produced, then the workbook or other academic material becomes the property of the producing professor. It is agreed that this workbook cannot be altered or revised without the permission of the professor who produced the workbook.

2. Materials produced at the individual discretion and initiative of the professor will remain that professor's intellectual materials. The professor will retain all rights and privileges for this material.

3. In the event that faculty and staff should develop an electronic or any other format of a published journal, Clear Creek Baptist Bible College, would be allowed to obtain first rights to publishing the materials as requested by the journal's editors or publishers. Second and/or later publishing rights would be retained by the producing professor or staff person unless otherwise stated in a written contract.

4. Should the article or material discussed in number 3 be revised or republished for any other journal, periodical or similar published material, the name of Clear Creek Baptist Bible College should be removed from the revised and/or republished manuscript.

5. Papers and other material (both written and other media) produced by students for classes remain the intellectual property of the student and cannot be used without the permission of the student.

Addendum (approved by Board of Trustees as amended July 14, 2014)

Staff members present a situation unique to both faculty and students. All materials, designs, articles, audio/visual presentations, and other intellectual or creative property produced in connection with Clear Creek Baptist Bible College is produced in fulfillment of a contractual agreement with Clear Creek Baptist Bible College or in the course of employment compensated on a "per hour" basis. All intellectual or creative property produced by staff members in the course of their employment at Clear Creek Baptist Bible College is and remains the property of Clear Creek Baptist Bible College.

This policy is not limited to copyrights and materials mentioned in specific above, but also includes all intangible assets such as musical, literary, and artistic works; discoveries and inventions; and words, phrases, symbols, and designs. In effect, all intellectual property produced by an employee of Clear Creek Baptist Bible College in the role of that employment is and remains the property of Clear Creek Baptist Bible College until and unless otherwise noted by this policy or by another binding agreement. Compensation, royalties, and other revenue derived from those intellectual properties are therefore the property of Clear Creek Baptist Bible College to be used as the leadership of the college sees fit.
