- 1993 Adjunct Professor of Old Testament, Southern Baptist Theological Seminary, Louisville, Kentucky, Clear Creek Baptist Bible College Campus.
- 1989 Visiting Professor, Clear Creek Baptist Bible College, Pineville, Kentucky. Taught two summer school sessions: Session 1: Samuel, Kings and Chronicles, Session 2: Psalms

Publications:

Books and Monographs:

39 Weeks to Malachi: A Survey of the Old Testament by Dr. John Ditty.

- This was my sabbatical activity. Includes 400-page text book, teacher's guide, student workbook, PowerPoints and Audio/PowerPoints. Emphasis is connecting the book of the Old Testament to Christ and the Gospels; and focused on contemporary application. This is a 41-week study targeting small groups and church use. It has been used as an elective at Clear Creek Baptist Bible College and selected portions at North Greenville University. This study has been used in five different churches.

Bedboat – A Summer Adventure. Children's novella bedtime story. Seeking publication.

- The 31 chapters of the book are designed to be read to the child each night for one month. Each chapter ends with interactive questions and topic for prayer based on the chapter.

- 2024 West Virginia Baptist Convention. Represented the college at the convention. November 7-8.

Travel / Tours Guided:

2017, 2019, 2022, 2023 Israel. Co-host pilgrimages with Dr. Roy Lucas. While there we share the opportunity to share at sites that are especially significant to our respective Bible disciplines. My contributions also include co-planning and co-hosting pre-trip Zoom meetings with group, preparing a daily devotional guide with a devotion and reading plan for the sights visited each day in country, and helping to manage the group when in country.

- 1995 South Africa –, my family visited my parents who were IMB missionaries. Traveled through the entire country from Johannesburg to Cape Town. Visited Soweto and Alexandria Townships and the Ciskei (a tribal homeland). We spent two days inside Kruger Park National Park, a wildlife preserve that was pure National Geographic Africa. I got to preach one Sunday in a village in the Ciskei. The trip took place just after Nelson Mandela was elected president of the country. 21 days in country, 17 of the days in a SUV.
- 1979 Israel, my first visit to the Holy Land was a student at Clear Creek Baptist School.

Courses Taught:

Undergraduate, Biblical Studies, Clear Creek

Old Testament 1: Genesis-Leviticus.

An introduction to the Old Testament through a study of the background and theology of the Old This course is divided into two parts: an introduction to the Old Testament through a study of the background and theology of the Old Testament followed by a study of the history and theology of Genesis through Leviticus with an emphasis on life application. Two hours.

Old Testament 2: From the Wilderness to the Kingdom

A study of the background and theology of Israel from the book of Numbers through the days of Samuel with an emphasis on life application. Included in this study is an overview of Deuteronomy. Two hours.

A study of the background and theology of the Kingdom of Israel from the beginning of the monarchy with Saul through the fall of the Northern Kingdom with an emphasis on life application. Two hours

Old Testament 4: he Kingdom of Israel, Part Two

A study of the background and theology of the Kingdom of Israel from the fall of the Northern Kingdom through the post-exilic period of Ezra, Nehemiah and Esther with an emphasis on life application. Two hours

Old Testament 5: The Prophets, Part One

A study of Isaiah and his contemporaries among the Minor Prophets. The study will examine the background and theology of the prophets with an emphasis on life application. Two hours

Old Testament 6: The Prophets, Part Two

A study of Isaiah and his contemporaries among the Minor Prophets. The study will examine the background and theology of the prophets with an emphasis on life application. Two hours

Old Testament 7: The Prophets, Part Three

A study of the prophets of the exilic and post-exilic periods. The study will examine the background and theology of the prophets with an emphasis on life application. Two hours.

Old Testament 8: The Writings and Wisdom Literature

A study of the background and theology of the books of Job through Song of Solomon with an emphasis on life application. Two hours.

From Genesis to Malachi: An Old Testament Survey

This study is more than a simple survey of the Old Testament. In the forty-one lessons of this course, the student will be introduced to the background, theme, major movement and lessons that make up each book of the Old Testament. Each book will also be connected to the New Testament in general and in particular to Christ, the Gospels and the contemporary believer. Three hours.

Biblical Language Intensive, Hebrew I

A study of the fundamentals of O.T. (Masoretic) Hebrew, with special attention given to the basic ability to translate selected sentences from Hebrew to English. Primary consideration is given to grammar, vocabulary, and to the quall stem of the regular verbs. Two hours.

Biblical Language Intensive, Hebrew II (have taught Direct Studies for Hebrew III-V)

A continuation of EPAS 2218, with special attention given to basic translation of select portions of the book of Genesis. Two hours.

Genesis

A study of the creation, fall, early history of mankind, and the early beginnings of Israel. Two hours.

Isaiah

A view of Isaiah's call, subsequent ministry, and his message for today. Two hours

Psalms

This course is designed to study God's message through Israel's book of worship. Two hours.

Jeremiah and Lamentations

An in-depth course examining the historical context and exegetical study of Jeremiah and Lamentations. The course will pay close attention to both interpretation and contemporary application. Two hours

Biblical Archaeology I

This course is taught in a seminar format with an overview of the principles, purpose, tools, history, various archaeological periods as well as practical disciplines of biblical archaeology. Two hours

Seeing Christ in the Old Testament

This study will deal with seeing Christ in the Old Testament in eternity past, in the Hebrew names for God, in the typology of the Biblical characters found there in, and seeing Christ in eternity future. Two hours.

Ezekiel

An exegetical look into the book emphasizing background material as well as an in-depth look at the message of the book and its contemporary application. Two hours.

New Testament 6: Galatians, 1-2 Thessalonians & the Pastoral Epistles: 1st - 2 and Timothy and Titus

A study of Galatians and 1-2 Thessalonians and the Pastoral Epistles dealing with their background, contents, purpose, and interpretation with an emphasis on life application. Two hours

New Testament 8: Hebrews and Revelation

A study of Hebrews and Revelation dealing with their background, contents, purpose, and interpretation with an emphasis on life application. Two hours.

Baptist Doctrine

A study of the key Baptist doctrines, approached not from textbook theology, but from a pastoral perspective. Included are the distinctive Baptist beliefs on the authority and inerrancy of the Bible, the priesthood of all believers, and the eternal security of the believer. Three hours

Undergraduate, Clear Creek, Ministry

Senior Seminar

The senior seminar is a required seminar designed to help the graduating student pull together knowledge and expertise gained while at Clear Creek in preparation for post-graduation ministry. Senior Seminar requires the completion of a portfolio for each graduating senior. The portfolio will include five written pieces and two or three oral pieces. The five written pieces are: written statement of call from the admissions application, a formal term paper from English Composition, the book report from Internship I, the position paper from Senior Seminar, and a resume (includes a statement of ministry philosophy) prepared for Senior Seminar. The two to three oral pieces are taken from: a speech from Public Speaking in Ministry, sermon or teaching lecture done for Sermon Delivery or Bible Teaching Lab and a short six-minute presentation prepared for Senior Seminar. One hour

Church History

Survey of the history of Christianity from the Early Church through the Reformation with the latter portion of the course being devoted to Baptist history. Three hours.

Evangelism

A study of the principles and methods of evangelism for today's Christian leader including special emphasis on personal soul winning and building an evangelistic church. Practical training is required. Three hours.

Sermon Preparation

An introduction to the nature of preaching and the preparation of sermons. The course will emphasize the preparation of expository sermons. Three hours.

Sermon Delivery

An introduction to expository sermon delivery. Each student will preach in class in order to gain poise, confidence, and proficiency. Two hours.

Introduction to Ministry (changed to Transition to Ministry)

An examination of the character of the minister, identification and incorporation of servant-leadership skills, working in the local church, and guiding the local church into cooperative relationships. Attention will also be given to building and maintaining healthy relationships in ministry with special emphasis given to working as a part of a ministry team in a local church or other ministry setting. Three hours.

Undergraduate, Biblical Studies, North Greenville University

Old Testament Survey

A study of the Old Testament in its historical setting; provides a review of the history, literature, and institutions found in the Old Testament. Three hours.

Old Test Exegesis: Joshua and Judges.

A study of the biblical books of Joshua and Judges; provides a review of the background, content, interpretation, application, and theology of these books.

Old Testament Survey: The Writings

Focusing on Job, Psalm, Proverbs, Ecclesiastes and The Song of Songs, this course will study the poetry and wisdom literature of the Old Testament and Apocrypha. Special attention will be given to Hebrew poetry, the theology of the Psalms, and the worldview behind the Wisdom Literature.

The History of Israel

A study of the history of Israel during the period of the Old Testament; provides a review of historiography, difficult issues, and focuses on major people and historical events. Three hours.

Undergraduate, Christian Ministry, North Greenville University

Portfolio Development

This course is designed to help students look at prior experience in ministry, their gifting and passions, as well as how both of these play into future pursuits of ministry. This course will be both introspective and prospective as students will seek to build a portfolio, resume, and vision for their lives and ministries.

Senior Seminar

Taken by the student, majoring in Christian Studies, who has attained senior status (90+ hours). The course is a critical study of selected topics of special interest on the current religious scene and seeks to enable students to integrate the results of their previous studies, culminating in a written thesis. *Online. Three semester hours credit.*

Masters, Biblical Studies, Clear Creek

Biblical Exegesis

The student will demonstrate competence at the graduate level in biblical exegesis through understanding and applying proper biblical hermeneutics.

Masters, Biblical Studies, North Greenville University

Old Testament Survey

An introductory study of the content and background of the Old Testament, including the research tools and methods for understanding and applying its message. The course covers exegetical issues involved in studying the Old Testament including historical, linguistic, and cultural backgrounds, as well as the nature of the Old Testament composition, text, canonization, and higher criticism. The course introduces books of the Old Testament by groups and individual texts and instructs students in understanding the original context of the message as well as applying the message for today (3 credit hours).

The Pentateuch and the Former Prophets

This study focuses on how the books that make up the Pentateuch and Former Prophets tell the story of the coming of Messiah. In examining these books, the main focus is discovering how God's prepared for the coming of His son Jesus the Messiah. It examines the theology and stories that present and represent that event and the need for the incarnation, crucifixion and resurrection. Three hours.

Old Testament Survey: The Major and Minor Prophets

Old Testament Survey: Old Testament Survey
