Professional Endorsement

“...I want to thank you for your personal commitment to excellence. When we launched our new IM team structure, I asked the prior IMs to send me a list of their top performers because I believe it is important to identify our strongest assets during seasons of change. I am happy to report that you were identified among our top instructors! I know that life is busy and taking the time to provide excellent service and engagement is not always easy. But, we are truly grateful for the work you do and the care you extend to your students. So, on behalf of Liberty and the School of Divinity, I want to personally thank you for the excellent service and attention you continue to provide your students...”

(10/28/2019 email, Dr. Claudia Dempsey, Chair of Online Operations, Rawlings School of Divinity, Liberty University)
