Education:

1. Undergraduate: BA, 1970, Murray State University
 - Outstanding Senior Chemistry Student
 - Sigma Xi honor society
 - Who's Who in American Colleges and Universities
 - Graduated Summa Cum Laude

2. Doctoral: PhD, 1974, Duke University
 - Dissertation: Synthetic and Theoretical Approaches to Polar Cycloaddition
 - Research Advisor: Dr. Charles K. Bradsher, James B. Duke Professor of Chemistry
 - Phi Beta Kappa honor society
 - Seven journal publications

Post-Graduate Research:

Post-doctoral research: Synthesis of Ellassovalene Derivatives. 1974-1976

- Research Advisor: Dr. Leo A. Paquette, The Ohio State University
- Four journal publications

Other Education Experiences:

- Army ROTC, North Carolina State University, Raleigh, NC, 1971-1973
- Kellogg School of Business, Northwestern University, Evanston, IL, 1985

Professional Experience:

- A. 2023 - present Part-Time Professor of General Studies, Clear Creek Baptist Bible College, Pineville, KY.
 - Currently teaching General Science and General Science Lab.
 - Re-configured the General Science Lab to improve hands-on learning plus weekly Scriptural emphasis.

- B. 2008 - present Researcher (Volunteer), Henry County, Tennessee Archive, Paris, TN.
 - Seven published books plus another in progress
 - Occasional speaker at genealogy events
 - Newsletter Editor, 2016-2017

- C. Fall 2011; Fall 2012 – Librarian (Volunteer), Maude Jellison Library, YMCA of the Rockies, Estes Park, CO

- D. 2002-2003 Assistant to Entertainment Imaging President, Eastman Kodak Co.
 - Improved organizational design of global customer technical service

- E. 1996-2002 Chief Technical Officer and Vice-President, Entertainment Imaging, Eastman Kodak Co.
 - Responsible for technical resources / strategy for the Entertainment Imaging businesses
 - Leadership products enabling maintenance of high margins, market share, and customer satisfaction in core entertainment business
 - Initial transition to new imaging technologies for new business opportunities (e.g. demonstration of state-of-the-art digital projection)
- F. 1991-1996 R&D Division Director, Professional Motion Imaging, Eastman Kodak Co.
 - Film leadership products with 60% reduction in development cycle time and 65% reduction in development cost per product
- G. 1989-1991 Manager, Origination Products, Motion Picture Manufacturing Flow, Eastman Kodak Co.
 - Exceeded cost/quality/delivery goals via leadership of technical and capital projects
- H. 1986-1989 R&D Laboratory Head, Motion Picture and Audio-Visual Business, Eastman Kodak Co.
 - Oscar-winning product line of new camera negative films
- I. 1976-1986 Research Scientist, Kodak Research Labs, Eastman Kodak Co.
 - Research prototypes of award-winning motion picture films
- J. 1973-1981 U S Army Reserve.
 - Commissioned as 2LT in the Chemical Corps
 - Honorably discharged as a Captain
- K. 1972 Graduate Assistant, Duke University Chemistry Department
- L. 1966-1970 Laboratory Assistant, Murray State University Chemistry Department.
