## Advising Worksheet 2024-25

Program Director/Advisor: **Dr. Eric Mitchell**

The graduate program at Clear Creek Baptist Bible College provides students with the opportunity to pursue a competency-based Master of Arts in Ministry degree. Instead of spending time sitting in a traditional classroom, students will learn and serve under the supervision of a field mentor while completing their assignments within their respective ministry context. The program consists of twelve competencies which is the equivalent of a thirty-six hour Master's degree. Students enrolled in our Master's program will have the opportunity to complete their studies within three consecutive semesters in the Fall, Spring, and Summer terms. To remain active in the program students must take at least one competency each semester.
